

Texas Cooperative Extension along with Texas Parks and Wildlife and other local partners are presenting to residents of Jefferson, Chambers, Orange and surrounding counties

## **“Texas Master Naturalist Program”**

In the Master Naturalist program, you will enhance your love of nature with research-based scientific knowledge. You will receive in-depth training in wildlife and natural resource management taught by recognized experts. You will also have the opportunity to receive advanced training in special subjects that may interest you.

In turn you will provide your community with volunteer service in the form of educational activities, projects, or demonstrations. You might serve on a speakers bureau, or introduce local children to local plants, insects and animals through local school projects.

And, perhaps you will have a chance to build friendships and working relationships with others who share your love of the natural Texas.

Registration Fee: \$100.00

**Meetings will be held every Wednesday**

September 15 through November 17, 2004

Time: 9:00 a.m. to 4:00 p.m.

Location: 1295 Pearl

One block from the Courthouse (closest to the Port of Beaumont)
